

Military Cultural Competency and Transition Awareness: Working with Service Members, Veterans, and their Families

Presented by: Virginia Veteran and Family Support

Virginia Department of Veteran Services

This training provides an overview of military culture to include:

Organizational structure, rank, branches of service, core values, and demographics

Similarities and differences between the Active Duty, Reserve, and National Guard components and their participation in current conflicts

Basic overview of combat related disorders, military sexual trauma, and coping strategies

Strengths and stressors related to military life, deployment and transition to civilian life for both military member and for the family, to include children

Overview of military and veteran suicide and prevention efforts

It is intended to assist state agencies, community partners and behavioral health providers in better understanding, communicating and effectively interacting with military members, veterans, and their families.

Upcoming Training Dates:

June 26, 2020, 1-3pm

(Online Webinar Format)
